ACOUSTIC SCREEN

MINORO | Desk Mounted

Minoro originates from the Latin meaning to reduce, which is exactly what this sound absorbing screen does, with a Noise Reduction Co-efficient (NRC) of 0.86*.

Minoro is not only functional with internal sound absorbing foam but also has a beautiful stitched upholstered finish, allowing for dual fabric options, encompassing a minimalist radius aesthetic.

MINORO | Floor Standing

Minoro is not only functional with internal sound absorbing foam but also has a beautiful stitched upholstered finish, allowing for dual fabric options, encompassing a minimalist radius aesthetic.

Minoro floor standing is a soft addition to the working environment, helping to create break out spaces to focus.
